4005 Rural Broadband Experiment

Authorized Rural Broadband Experiment (RBE) recipients must address the certification for public interest obligations, provide a list of newly served community anchor institutions, and provide a list of locations where broadband has been deployed.

Public Interest Obligations – FCC 14-98 (paragraphs 26-29, 78)

Please address Line 4001 regarding compliance with the Commission’s public interest obligations. All RBE participants must provide a response to Line 4001.

4001. Recipient certifies that it is offering broadband to the identified locations meeting the requisite public interest obligations consistent with the category for which they were selected, including broadband speed, latency, usage capacity, and rates that are reasonably comparable to rates for comparable offerings in urban areas?

Community Anchor Institutions – FCC 14-98 (paragraph 79)

4003a. RBE participants must provide the number, names, and addresses of community anchor institutions to which they newly deployed broadband service in the preceding calendar year. On this line, please respond (yes – attach new community anchors, no – no new anchors) to indicate whether this list will be provided.

If yes to 4003A, please provide a response for 4003B.

4003b. Provide the number, names and addresses of community anchor institutions to which the recipient newly began providing access to broadband service in the preceding calendar year.	Name of Attached Document Listing Required Information

 East Otter Tail Tel
 Form 481 Line No. 1210 Lifeline Plans Terms and Conditions

East Otter Tail Tel offers Lifeline Service Credit according to basic service requirements listed in **Minnesota Administrative Rule "7811.0600 – Basic Local Service Requirements."**

Subpart 1. Required services. A local service provider (LSP) shall provide, as part of its local service offering, the following to all customers within its service area:

- A. Single party voice-grade service and touch-tone capability;
- B. 911 or enhanced 911 access;
- C. 1+ intraLATA and interLATA presubscription and code-specific equal access to interexchange carriers subscribing to its switched access service;
- D. Access to directory assistance, directory listings, and operator services;
- E. Toll and information service-blocking capability without recurring monthly charges as provided in the commission's ORDER REGARDING LOCAL DISCONNECTION AND TOLL BLOCKING CHARGES, Docket No. P-999/CI-96-38 (June 4, 1996), and its ORDER GRANTING TIME EXTENSIONS AND CLARIFYING ONE PORTION OF PREVIOUS ORDER, Docket No. P-999/CI-96-38 (September 16, 1996), which are incorporated by reference, are not subject to frequent change, and are available through the statewide interlibrary loan system;
- F. One complete directory per year for each local calling area, which may include more than one local calling area, consistent with the customer option provisions of part 7810.2950 and, upon a customer's request and in the customer's preferred format among the formats offered by the local service provider, one copy of any other directory within the local calling area;
- G. A white pages and directory assistance listing, or, upon customer request, a private listing that allows the customer to have an unlisted or unpublished telephone number;
- H. Call-tracing capability according to chapter 7813;
- I. Blocking capability according to the commission's ORDER ESTABLISHING CONDITIONS FOR THE PROVISION OF CUSTOMER LOCAL AREA SIGNALING SERVICES, Docket No. P-999/CI-92-992 (June 17, 1993) and its ORDER AFTER RECONSIDERATION, Docket No. P-999/CI-92-992 (December 3, 1993), which are incorporated by reference, are not subject to frequent change, and are available through the statewide interlibrary loan system;
- J. Telecommunications relay service capability or access necessary to comply with state and federal regulations.

Subpart 2. Separate flat rate service offering. At a minimum, each LSP shall offer the services identified in subpart 1 as a separate tariff or price list offering on a flat rate basis. An LSP may also offer basic local service on a measured rate basis or in combination with other services. An LSP may impose separate charges for the services set forth in subpart 1 only to the extent permitted by applicable laws, rules, and commission orders.

SAC: 361385
 State: MN
 East Otter Tail Tel
 Form 481 Line No. 1210 Lifeline Plans Terms and Conditions

Subpart 3. Service area obligations: all LSPs. An LSP shall provide its local services on a nondiscriminatory basis, consistent with its certificate under part 7811.0300 or 7811.0350, to all customers who request service and whose premises fall within the carrier's service area boundaries or, for an interim period, to all requesting customers whose premises fall within the operational areas of the local service provider's service area under part 7811.0300, subpart 4, or 7811.0350, subpart 4. The obligation to provide resale services does not extend beyond the service capability of the underlying carrier whose service is being resold. The obligation to provide facilities-based services does not require an LSP that is not an eligible telecommunications carrier (ETC) to build out its facilities to customers not abutting its facilities or to serve a customer if the local service provider cannot reasonably obtain access to the point of demarcation on the customer's premises.

Subpart 4. Service area obligations: ETCs. An LSP designated an ETC by the commission must provide local service, including, if necessary, facilities-based service, to all requesting customers within the carrier's service area on a nondiscriminatory basis, regardless of a customer's proximity to the carrier's facilities. An LSP may assess special construction charges approved by the commission if existing facilities are not available to serve the customer.

The Local Service Tariff is on file with Minnesota Public Utility Commission.

All Lifeline subscribers must meet the terms and conditions of Federal Lifeline Eligibility Rules.

East Otter Tail Tel adheres to all Federal Lifeline eligibility rules and regulations as well as Minnesota Administrative Rule "7817.0400 - Eligibility for Telephone Assistance Credits" which states:

Minnesota Administrative Rule 237 Chapter 7817.0400

Subpart 1. Information provided. Each local service provider shall annually mail a notice of the availability of the telephone assistance plan to each residential subscriber in a regular billing. If a subscriber has chosen to receive the regular billing other than through U.S. mail, the local service provider shall send the notice in a regular billing using the delivery method chosen by the subscriber for delivery of the regular billing. The notice must state the following: YOU MAY BE ELIGIBLE FOR ASSISTANCE IN PAYING YOUR TELEPHONE BILL IF YOU RECEIVE BENEFITS FROM CERTAIN LOW-INCOME ASSISTANCE PROGRAMS OR MEET CERTAIN INCOME LIMITS. FOR MORE INFORMATION OR AN APPLICATION FORM PLEASE CONTACT (local service provider) . On request, the local service provider shall mail to a person an application form developed by the commission and the Department of Commerce, and a brochure that describes the telephone assistance plan's eligibility requirements and application process.

Subpart 2. Application process. On completing and signing the application certifying under penalty of perjury that the information provided by the applicant is true and that the statutory criteria for eligibility are satisfied, the applicant must return it to the local service provider for enrollment in the telephone assistance plan. An application may be made by the subscriber, the subscriber's spouse, or a person authorized by the subscriber to act on the subscriber's behalf.

Subpart 4. Eligibility criteria. To be eligible for a telephone assistance credit the applicant must:

- A. be a subscriber who resides in Minnesota or has moved to Minnesota and intends to remain; and
- B. be eligible for the federal Lifeline telephone service discount.

State: MN
East Otter Tail Tel
Form 481 Line No. 1210 Lifeline Plans Terms and Conditions

Subpart 7. Applicant and recipient responsibilities. Each applicant and each recipient shall provide current information to the local service provider about permanent changes that affect the applicant's or recipient's eligibility.

Subpart 8. Local service provider responsibilities.

- A. A local service provider shall begin providing telephone assistance credits to an applicant in the earliest possible billing cycle but not later than the second billing cycle following submission of a completed application demonstrating eligibility. If certified, the local service provider shall notify the applicant by, for example, placing telephone assistance credits on the bill.
- B. If an applicant is denied eligibility, the local service provider shall notify the applicant in writing of the reasons for the denial, of the right to appeal, and of the right to reapply.

The specific Company terms and conditions for service are set forth in the Company's tariff pages included in Exhibit 1, attached.

APPLICATION OF TARIFF

B. REGULATIONS

1. Applications of Business and Residence Rates

The determination as to whether customer service (as distinguished from Public Telephone Service), except Semipublic Telephone Service, is furnished at business or residence rates is based on the location and character of use, made of the service. The type of directory listing may, in some cases, also serve as a satisfactory basis for determining whether business or residence rates apply.

Business Rates

Service is classified and charges for as business service where the use is primarily or substantially of a business, professional, institutional or occupational nature, or where a business directory listing is furnished, including farm businesses that utilize a business format in the telephone directory, except as provided in the following paragraph.

Residence Rates

Service is classified and charged for as residence service where the primary use of the service is of a domestic nature and where the business use, if any, is merely incidental.

Included in this classification is service subscribed to by a nonprofit association of owners of residential condominiums for use with customer provided door answering equipment.

2. Application of Seasonal Service

Seasonal Service

Customers who reside inside our Company's service area on a seasonal basis may select seasonal service. The following terms and conditions shall apply to this service offering.

3. Combined Main Station Service

- a. To the extent that facilities and equipment for the purpose are available, two flat rate individual line main stations with identical outgoing service privileges may be combined, i.e., permanently bridged, in a manner permitting answering of calls for either at the other station. Where so combined the station bell at each main station will ring when either of the stations is called, except where it is practicable to associate an extension bell or other auxiliary signal with and on the same premises as such a main station to indicate incoming calls directed to the other. Such auxiliary signals, where furnished, are subject to tariff rates.
- b. If two main stations thus combined are located within the same central office area, and served by a central office of such central office area, the flat rate for individual line business service applies to each business main station and the flat rate for individual line residence service applies to each residence main station.
- c. Combined main station service is ordinarily provided only when both main stations are contracted for by the same subscriber, or when one subscriber is in business with, or is an employee or agent of, the other subscriber concerned.

4. Service to Schools and Public Libraries

- a. Definitions
 - 1) "School" means a public, non-public, and church or religious organization school that has classes within the range from kindergarten to grade 12 that meets state compulsory attendance requirements.
 - 2) "Public Library" means a library available to the public which is operated by a county or other local governments.
 - 3) "Basic Service to School Classrooms" means access to the local network and tone dial service.

a. Definitions (Con't)

4) “Basic and Advanced Service” includes any service for which the Company may receive compensation from, or a set off against its obligation to, the Federal universal service fund and/or any Minnesota universal service fund as a result of the discount provided pursuant to this tariff position.

b. Basic Service to School Classrooms

A discounted flat rate shall be provided, upon request, to a school that installs additional basic service to each classroom or other areas of the school designated by the school board at a level determined by the Company that is less than the Company's flat rate for an access line for a business customer and the same as or greater than the Company's flat rate for an access line for a residence in the same area.

c. Basic and Advanced Services to Schools and Public Libraries

A discount rate may be provided, upon request, to a school or public library for basic and advanced services. If a request is received by the Company for a discounted rate before the requirements for the Company to receive compensation from, or a set off of its obligations to, the federal or state universal service fund are determined, the Company, in its sole discretion, may determine whether to provide any discount of its services. If a request is received by the Company for a discounted rate after the requirements for the Company to receive compensation from, or a set off of its obligations to, the federal or state universal service fund are determined, both the Company and the requesting school or library shall comply with all applicable requirements.

d. Limitations on Resale

1) A school or public library receiving discounted services may not resell, sub-lease or in any other manner allow entities that would not qualify for the discount to obtain those services.

2) A telecommunications provider, telephone company, or an authorized agent of the school or public library possessing all authorization needed to provide telecommunications service to the school or library may request that the Company provide the service to the telecommunications provider, telephone company, or agent at the discounted rate for the exclusive purpose of providing the requested service to a qualifying school or public library that has requested the service. A telecommunications provider, telephone company, or an authorized agent shall not be entitled to any additional discount on services qualifying for a discount under this tariff and the discounted rate offered by the Company shall not be considered its retail rate for this service.

5. Local Service Rate with ACS Security Solutions Package

Residential subscribers who also sign an agreement, after October 15, 2010, to become ACS Security Solutions customer with monthly monitoring are eligible to receive a reduced local service monthly rate of \$5.95 for six months per year for each year the subscriber remains eligible. Regular rates shall apply for the other six months of the year. This rate is available for all Company exchanges.

All installation and service order charges are applicable. Rules and regulations apply the same as regular Residence rated access lines. Residence classification only, as described on Sheet 4 of Part IV of the Company tariff.

Subscribers who are no longer ACS Security Solutions customers will be charged at normal monthly rates effective immediately upon disconnection of such service.
